FINAL EXAM POLICIES

Students must take their final examinations at the assigned hours listed. Exceptions will be made only because of serious illness or death of an immediate family member. Reasons such as plane schedules, availability of flights, family vacations, mission trips, job searches, and rides leaving early are not acceptable exceptions.

Students scheduled to take more than two final exams on the same day may, with written permission from the instructor, reschedule an exam(s) to maintain a minimum of no more than two exams per day. Students should contact the Registrar's Office to begin the rescheduling process. Rescheduling must be approved by Friday, May 2, 2008.

The instructor will announce exam times for TBA courses and hours not covered by this schedule. Should the announced time conflict with another scheduled exam, the professor who announced the exam time will have to make the accommodation. Final examinations for evening and weekend classes will be held at the regular class meeting time at the last time the course meets.
